Addendum No. 1

RFP No. 15-0034

Please make the following changes:

Site E – Prairie Hills West - has been removed from this RFP. The financial proposal value for the remaining four sites is now \$358,000.00.

Answers to questions asked:

- 1) A performance/payment bond will be required of the successful proposer when the contract is executed by the city. No bid bond is required.
- 2) The winning proposer must document any rain days and delays.
- 3) The depth of the wood fiber is 12"-15", 12" compressed.
- 4) **Can the park dimensions be made smaller in accordance with a proposer's playground design?** *Yes, but play value could be diminished if other vendors do not decrease their size as well.*
- 5) **The City will tear out and dispose of the concrete border, but who is to replace the boarder? What type of curb is to be re-installed? What kind of border is needed around the swing area?** *Yes, the City will remove the concrete boarder. With a poured in place or tile system the boarder can be an apron around the surface. The choice of boarder around the swing area is the proposer's decision.*
- 6) **Is it our obligation to bring the site back up to grade with class 5 gravel after the city has removed the 12" to 15" of surfacing material?** *Yes.*
- 7) **If a proposers site dimensions are smaller than specified, would the proposer have to bring in additional topsoil for back-fill?** *Yes.*
- 8) **What kind of resilient surface is the City requesting? Tiles? PIP?** *Either surface is acceptable, but concrete is required as a base.*

Addendum must be acknowledged by all bidders regardless of which proposal(s), if applicable, are being bid on.
