

The Sioux Falls Board of Historic Preservation Mayor's Historic Preservation Award

Nomination Request

The Mayor's Historic Preservation Award is a collaborative effort of the Sioux Falls Board of Historic Preservation and the Mayor of Sioux Falls. The Award is given annually to recognize meaningful achievements in historic preservation by an individual, organization, company, or agency through advocacy, education, investment, support, or service, and to stimulate greater public awareness and understanding of historic preservation efforts. The preservation of historic resources revitalizes neighborhoods, adds to the revenue of the community, and preserves the overall character of the city.

Deadline for Submitting Nominations: April 8, 2016

Nomination Submittals and Requirements:

Name:

Contact information:

Name of the nominator:

Contact information:

Business Name:

Project Address:

Narrative: Provide a concise description or narrative of the project, program, organization, or individual that is being nominated. This description/narrative should address the following items:

- If the nominated project involves a site or district, explain its historical significance, the challenges overcome, unique strategies and activities carried out, and the impact of these activities on the community.
- Describe the people involved and how this project could be a model for others considering rehabilitation projects. Those who made a significant contribution to its success must be listed as co-nominees.
- If the nominee is an individual or organization, describe their accomplishments and contributions to the area of historic preservation.
- List the amount of grant assistance received for the project and the source.

Nomination Guidelines:

The nominated project should relate to one or more of the following items. Please explain its relation in your narrative:

- Showcases historic preservation as a strategy to renew the viability of diverse older neighborhoods
- Meets community needs through the rehabilitation and active use of individual landmarks
- Demonstrates that older buildings are excellent examples of "green" and sustainable construction

- Demonstrates that historic preservation supports economic, environmental, and cultural sustainability in communities
- Broadens the ethnic and cultural diversity of historic preservation
- Uses innovative, replicable strategies that create new models for historic site interpretation, stewardship, and/or reuse
- Involves properties that encourage private investment in historic building rehabilitation
