

Your Postcard

1. Decide to whom you want to send a postcard.
2. Write your message.
You can write it from the computer in this Acrobat file, or handwrite after you print out.
3. Print your postcard on regular paper.
4. Draw and color your postcard art under the Imagine Your Story heading.
5. Cut out the four sides of the postcard on the thick dotted line.
6. Fold the postcard in half on the thin dotted line so that you have a front and back side.
7. Glue or tape the blank insides together.
8. Send your postcard:
 - A. Deliver in person.
 - B. This postcard cannot be mailed all by itself, but you can put into an envelope and mail it. Ask your parent or guardian for help.
