

Instructions:

1. Color your mask.
2. Cut out your mask. Ask an adult to help you cut out the eyes.
3. Decorate your mask with other supplies you may have at home, such as feathers or sequins. You can also use the shapes provided to color, cut, and glue on your mask.
4. To wear your mask, attach with string, a straw, or a popsicle stick.
5. Check off the Mask Mission on your reading log or in ReadSquared!
