- *Police Department:* None
- *City Engineering:* Active Transportation Board discussion. Sam Trebilcock from the City of Sioux Falls Planning Department presented a draft of the Ordinance they would like to take to Council in September to enact the Active Transportation Board. With this action there would be a Resolution to repeal PATH and it would become one of three sub-committees under the Active Transportation Board. It would be a citizen led seven member board. PATH would continue in the same capacity as it is now. This will brought to PATH Meeting again on September 8, 2022, to decide if any changes would need to be made and/or to go forward and present to the Council in September.
- *Private Schools:* None
- *Public Schools:* None

IV. NEW BUSINESS

-

SIoux FALLS SChOOLS TRAFFIC SAFETY COMMITTEE

- *City Engineering:* John Harris – Citizens that live on Dudley Lane were having issues with parents dropping off students and blocking their driveway. The start time of school has changed slightly, so that may help with that issue.
- *Private Schools:* Schools will start on August 18, 2022. Kyle Groos of Bishop O’Gorman Catholic Schools would like signs or some indication for students crossing at 26th at Glendale Avenue and Lake Avenue. There are three schools in that area that students use to cross the street and cars are stopping for the children to cross the street. There is a hill that is causing some concern for sight issues too. Traffic Engineering will look in to that.
- *Public Schools:*
