III. REVIEW AND APPROVAL OF SEPTEMBER MINUTES

September minutes were not approved because of an issue with the recorder. They will be approved at the December meeting.

IV. PUBLIC INPUT

V. UNFINISHED BUSINESS

- *Police Department:* No report.

- *City Engineering:* There is not a 'School Zone' sign if you are heading south from Edison School traveling behind Christ the King School. When people turn off of 26th Street, they are speeding in this area because they are not aware it is a school zone since there are no 'School Zone' signs. In order for Police to enforce the school zone speed limit, there will need to be a sign installed in this area.

- *Private Schools:* A question was asked on the protocol for filling the vacancy on the board from the Saint Lamberts School representative departing. Heath stated that the applicant is approved by the Mayor's office and then approved by the City Council.
