## SIoux FALLS SCHOOLS TRAFFIC SAFETY COMMITTEE

- *Private Schools:* Christ The King will add a crosswalk and also expand the school zone at 33<sup>rd</sup> Street and West Avenue. There is a 'School Zone 15 MPH' sign that is missing near the school. Officer Draeger stated that it is hard to enforce the speed limit when there is not a speed limit sign posted.
- *Public Schools:* Rosa Parks will have the signal light timings adjusted at Highline Avenue and 26<sup>th</sup> Street.

Explorer will add a crosswalk and expand the school zone just north of 81<sup>st</sup> Street and Hughes Avenue. This will hook up with the sidewalk and curb ramps will need to be installed. Crosswalk signs will be installed at Shipton and Beal Avenue. It will be proposed to the school that a direct sidewalk be installed from Beal Avenue to the front door of the school.

Journey will move the parking back away from the crosswalk at LaQuinta and Venita. There will also be crosswalks installed at LaQuinta and Heatherridge.

Anne Sullivan has students that are uncomfortable being crossing guards at 6<sup>th</sup> Street and Bahnson Avenue. Research will be done to see if a crosswalk midblock on Bahnson Avenue, between 6<sup>th</sup> Street and 3<sup>rd</sup> Street, should be installed.
