Unfinished Business:

Interpretive Center—Bill Hoskins discussed all the different aspects involved with building and programming a museum. He provided a lot of valuable information for this project based on his experience as Director of the Siouxland Heritage Museums. Alan Wieskamp, TSP, will continue to use Bill as a reference as the schematic design for the Interpretive Center is being developed.

The Board and Bill also discussed the possibility of having Bill and his staff program and operate the Interpretive Center. Everyone thought it would be a great idea since the City and county already have a contract with Bill for the Siouxland Heritage Museums. This will be discussed further in future meetings.

No new business.

No public input.

With no further business before the Board, a motion was made to adjourn. The motion was seconded. Motion carried.

The next regular meeting is scheduled for **7:30 a.m., April 9, 2010**, at the Parks and Recreation Office, 100 East Sixth Street.
